

FACT SHEET

TRF At a Glance

Mission

To empower low-income communities in Latin America and the Caribbean with the skills, knowledge and opportunities to improve their lives.

Leadership

Marcela Lopez-Macedonio, Esq., President & CEO

Established

1987

Regional Focus

29 countries in the Americas and the Caribbean

Donor Services

- ✓ Advice and assistance in identifying funding opportunities and forming strategies in line with your goals
- ✓ Rigorous, annual due diligence to secure the legal and operational framework of your giving
- ✓ Tax-deductible and convenient giving vehicles
- ✓ Facilitation of communication with grantees in multiple languages
- ✓ Grants administration, reporting and impact tracking
- ✓ Programs in all the major areas of development

Ongoing Due Diligence, Reporting & Evaluation

TRF manages all the complex issues surrounding international grantmaking for donors, performing ongoing compliance checks on all supported organizations. TRF's due diligence process includes a comprehensive evaluation of proposed organizations and projects to ensure sustainability and effectiveness. Its semi-annual reporting and impact measurement services provide donors with detailed narrative and financial information on all projects supported.

Donor Learning Opportunities

TRF offers donors opportunities to learn about the region and projects supported through site visits and other activities.

Recognition & Accomplishments

- ✓ Founding member of the *Alliance for International Giving*, which was created together with Give2Asia and The King Baudouin Foundation United States to facilitate philanthropy across the globe.
- ✓ Awarded Charity Navigator's highest rating of four-stars eight times since 2008 for its sound fiscal management, financial health, and accountability and transparency.
- ✓ Selected by Fidelity Charitable Gift Fund as one of four intermediaries that can facilitate international giving for its clients.

Impact

Thanks to donors' generous contributions since 1987, The Resource Foundation has provided more than \$100 million to support nearly 2,000 projects in 29 countries across the Americas and the Caribbean.
